保育室 (乳児)

A photograph of a nursery room. The room has a polished wooden floor and large windows with light-colored curtains. On the right side, there is a long, light-colored storage cabinet with multiple shelves and drawers. The shelves are filled with various items, including green plastic bins, a blue bag, and other supplies. The walls are decorated with children's drawings and notices. In the background, there are several small chairs and a table near the windows. The overall atmosphere is bright and organized.
