Any problems?

- I have to go to the city hall for procedures but I don't know Japanese.
- I don't understand the letter from the city hall.
- I want to learn Japanese but I don't know where it is.
- What are the procedures to get married?
- What are the necessary documents to renew the visa?

In those cases, please consult with us at “Multicultural Information Plaza.”

We interpret conversation between you and the officials of the city hall.

If you are concerned about procedures due to language problem,
please visit us at 16th floor of the city hall.

Interpretation via phone call using “Triophone” function (conference call)
is also available. Please feel free to call us.
