2025 is a year of Population Census conducted across the country every five years.

## People subject to census

All people living in Japan as of October 1, 2025 including foreign residents

※ Please write or enter the address in which you actually reside as of October 1, 2025 regardless to resident registration (ex. People who are living in Higashiosaka as of October 1 are surveyed by the address in "Higashiosaka")

## Two ways to answer

### 1. Online (PC, smart phone or tablet)

You can answer in English, Chinese (Simplified and traditional), Korean, Vietnamese, Spanish and Portuguese.

Now you can respond online conveniently and easily!

It is easy and quick enabling busy person to answer no matter where he/she is.

### 2. Filling out the census form

Fill out the census form by conventional way and send it by post.

## Census period

Census form distribution period  
September 20 ~ 30

Online answering period  
September 20 ~ October 8

Census form submission period  
October 1 ~ 8

Enumerators will visit people who didn't respond neither online or by sending answering form during the designated period October 17 ~ 27 to collect the filled-out form.

◎For people who don't understand Japanese,  
TRANSLATION GUIDEBOOK in 27 languages is available.

Result of survey will serve for creating the future of the country. This is an important survey which will be a base for social welfare or disaster prevention measures.
